

# Youth Work in Trades

#### II. Youth Work in Trades 11B (YWIT 11B = 120 hours worked)

- 1. Complete pages 1 and 2 of the **Training Plan**, on page 2 fill in specific duties from the Training Topics in the Program Guide specific to your trade:
  - Go to www.itabc.ca,
  - Select Find my trade,
  - Click on your trade,
  - Select Program Outline,
  - Scroll down to Occupational Analysis Chart (around page 11-12),
  - Select Training Topics that are specific and relevant to what you are doing at your job. Notice also that there are 3 columns where you list specific duties, "Observed, Performed with Help and Performed Alone", write down a specific duty in each column so that what you observed in 11A you might be "performing with help" in 11B and "performing alone" in 12A and B.

**NOTE:** The **Training Plans** and **Work Logs** might be repetitive which is ok if that is what you are doing in your job. The idea is that you show growth and learning throughout the 4 courses.

#### This Training Plan will be reviewed by the Apprenticeship Coordinator and your Employer.

- Compete Student Reflection and Work Term Report when you have completed 120 hours of work.
- Complete Work Based Training Log per pay period, include the number of hours worked and a description of what you did on the job. This should correspond to the Training Plan you completed.
- 4. Complete part A of the **Work Based Training Hours Report** and have your employer complete Part B and C and return to you.

\* WHEN COMPLETE, PLEASE REMOVE <u>YOUTH WORK IN TRADES 11B,</u> STAPLE AND SUBMIT TO YOUR SCHOOL WORK EXPERIENCE FACILITATOR
