

INTRODUCTION TO SNAP

Tuesday, September 28th 3:15 – 4:45

Learning Services, 49520 Prairie Central Rd.

SNAP (Student Numeracy Assessment and Practice) is our district numeracy assessment. Attend this workshop to learn how to effectively use the SNAP as a practice tool throughout the year that will drive your instructional practice and purposeful planning.

The **target audience** for this session is teachers in **grades 2-7 that have no experience or limited experience** in using the SNAP as a practice tool.
