

ATTENTION!

Grade One Teachers

“The most common source of reading difficulties is poor phoneme awareness. Hundreds of studies have highlighted its importance in reading development. Many studies have shown that PA training can improve the reading progress of weak readers.”

~David Kilpatrick

Participants will receive a copy of the Heggerty Primary Curriculum.

**Thursday, October 13th
at Learning Services
3:15-4:45**

This session is intended for Grade 1 classroom teachers. Priority will be given to those currently teaching Grade 1.
