Industry Training Authority (ITA) Youth Train in Trades Program objectives:

ITA Youth Train in Trades is an industry certificate program for BC Secondary School students. The program enables students to earn both graduation credits and credit for the first level of technical training associated with an ITA program or Apprenticeship. Through practicum placements students can also earn credit towards the on-the-job component of an ITA Program. This is an opportunity for high school students to get a head start on earning their credentials in trade recognized by the ITA.
