

Numeracy Mentorship

Please join Christian Lidders and Anna Webb for a session on teaching math in the Chilliwack School District. They will share with you our numeracy framework, instructional routines that have high impact with students and how to engage students with the math manipulatives and resources in your school.

Date: Monday, October 16

Time: 3:15-5:15

Audience: K-12 Teachers

Location: Learning Services

Please register on eBASE

“I often meet students who are afraid of making mistakes because they don’t realize that mistakes are where the learning happens. Mistakes due to challenge is where the fun starts.”

— DR. MATTHEW PETERSON, CO-FOUNDER AND CHIEF RESEARCH & DEVELOPMENT OFFICER AT MIND
