

ATTENTION

Kindergarten Teachers

"The most common source of reading difficulties is poor phoneme awareness. Hundreds of studies have highlighted its importance in reading development. Many studies have shown that PA training can improve the reading progress of weak readers."

Participants will receive a copy of the Heggerty Kindergarten Curriculum.

**Thursday, September 28th
at Learning Services
3:15-4:45**

This session is intended for kindergarten classroom teachers. Priority will be given to those currently teaching kindergarten.
